BUILDING  
INFORMATION  
MANAGEMENT

### Client

Auckland City Council

### Project

The Auckland City Council Regional Facility Management team oversee billions of dollars worth of Auckland's most valued landmark buildings and facilities, including;

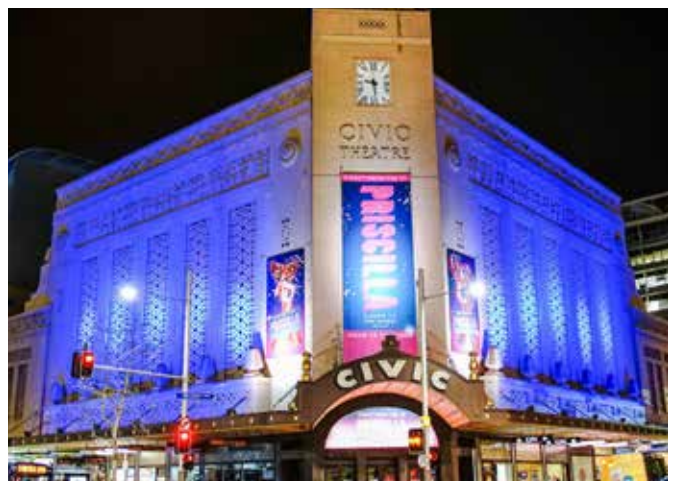

- The Cloud Events Space
- Aotea Centre
- Auckland Maritime Museum
- The Bruce Mason Centre
- Auckland Town Hall
- Viaduct Events Centre
- Auckland Civic Theatre
- Auckland Art Gallery

### Scope

- OmTrak FM System
- Training and Support of all building users, FM's and contractors

### Value Added

One central system to easily manage all facilities from any location, creating an efficient automatic process for the team. Training and support was included to all parties involved in running the facilities.
