MANAGEMENT

## Client

Lendlease Building

## Project

Sydney's \$6b Barangaroo development is now recognised as a landmark sustainable precinct in Australia and abroad. Barangaroo accommodates 23,000 office workers and 1,600 residents. The retail section contains 80 cafés, bars, restaurants and retail outlets.

Features include;

- 3 Towers with a 5 Star Energy rating
- 6 Star Green Star Office Design
- 50% open space
- 100% of the foreshore is accessible to pedestrians and cyclists
- And As Built ratings

## Scope

- Provision of OmTrak Site Works for Defects Management only.

## Value Added

The OmTrak System allowed progressive and thorough information capture on any device. This allowed Builders and Contractors to efficiently manage defects throughout the huge construction phase.
