Client

Consortium consisting of;

- Fletchers Construction (Construction)
- Cushman and Wakefield (Maintenance)
- Westpac (Finance)

Project

\$270m 25 year Public/Private Partnership contract for a new maximum security facility.

Scope

- O&M Manuals
- Asset Capture
- Siteworks

Value Added

The use of OmTrak facilitated an efficient handover process. The process allowed the progressive upload of a large amount of documents and data throughout the construction phase. The timely delivery of O&M reduced the risk of delay costs and penalties.
