

Yandelora Public School Narellan NSW

Entry via
Wilson Crescent

CLIENT: NSW Education

PROJECT:

Yandelora is a School for Specific Purposes (SSP). It opened to meet the needs of students with moderate to severe intellectual and physical disabilities, by providing intensive and specialised staffing and educational programs.

The Yandelora School is located on the site of the former Hope Anglican School in Narellan NSW.

The construction works were completed by St Hilliers and include 16 teaching spaces for students from Kindergarten to Year 12; hydrotherapy pool, accessible classrooms, library and school hall.

PROJECT VALUE:

\$22,000,000.00

DATE: Completed in 2019

OMTRAK TOOLS USED:

OmTrak O&M Manuals Software. To manage the operations and maintenance manuals of the buildings assets.

OmTrak Siteworks Software and App. To manage the defects during construction and DLP.
